

## PRODUCTION & RECORDING RATES

Production rates can vary significantly based on project scope. Rates depend on the type and genre of music. Project rates are between \$1200-\$2000 per track depending on the genre. This price rate can also be higher depending on the complexity of the song and required musicians.

Note that hip-hop beats production is not available. However, vocals on track are available.

There is a deposit of 50% of the project price before the project begins, and the remainder to be paid after the project is completed.

Hourly rates are also available at a fixed rate of \$50 per hour, and does not include mixing and mastering.

Vocal on track - \$50 per hour (min of 1 hour).

Vocal & more string instruments on track - \$50 per hour (min of 2 hours).

Mixing - \$450 per track

Mastering - \$150 per track
